

THE RAGGED COT

Cocktail List

French 75 - £10

A French 75 cocktail is a well-balanced drink, with herbaceous notes from the gin, a pleasant citrus tartness from the lemon juice, and a hint of sweetness from simple syrup. Sparkling wine, like champagne, prosecco or cava, gives the drink a refreshing effervescence.

Negroni - £10

A negroni is a bitter cocktail but the vermouth and orange garnish add enough fruity sweetness to balance it out. The taste is herby, a bit cooty-think liquorice root - and then there are some deep dark fruit flavours

Aperol Spritz - £10

The Aperol Spritz is a glowing fusion of bitter orange and sweet wine, served in a balloon or wine glass and garnished with an orange slice

Mojito - £10

(Available as Mocktail)

Its combination of sweetness, citrus, and herbaceous mint flavors is intended to complement the rum, and has made the mojito a popular summer drink.

Long Island Iced Tea - £12

A Long Island Ice Tea is typically made with vodka, tequila, light rum, triple sec, gin, and a splash of cola. Despite its name, the cocktail does not typically contain iced tea, but is named for having the same amber hue as iced tea.

Strawberry Daiquiri - £12

(Available as Mocktail)

The Strawberry Daiquiri is a summertime favorite that evokes sunny days and poolside vacations. It is a refreshing, delicious concoction that highlights good rum, sweet strawberries and fresh lime juice.

Bramble - £10

Generally, Brambles are flavoured with blackberry. Are brambles and blackberries the same thing? No - brambles are the bushes that grow blackberries, and blackberries are the fruit that develop from these bushes.

Old Fashioned - £10

Old Fashioned tastes like a sweet whiskey cocktail with slight bitterness and spiciness. The sugar cube gives the bourbon cocktail its sweetness, while the bitters give it the spiciness and bitterness that helps balance the flavor.

Bloody Mary - £10

(Available as Mocktail)

The Bloody Mary is a cocktail containing vodka, tomato juice, and other spices and flavorings including Worcestershire sauce, hot sauces, garlic, herbs, horseradish, celery, olives, pickled vegetables, salt, black pepper, lemon juice, lime juice and celery salt.

Passion Fruit Punch - £12

(Available as Mocktail)

The sweet and sour combination of vanilla vodka, passion fruit liqueur, freshly squeezed lime juice and a simple vanilla syrup makes this party classic unique and delicious.

Pina Colada Punch - £12

(Available as Mocktail)

The piña colada is a popular classic cocktail invented in Puerto Rico made with pineapple juice, rum, and coconut, served blended or with crushed ice. The name means "strained pineapple" in Spanish. The original drink was invented in San Juan in 1954 by a bartender named Ramón "Monchite" Marrero.
